## My Heart Turns Inward & Kisses the Earth

[onenessproject.com](http://onenessproject.com)

What to do when there's so much happening on every level of being: spiritually, emotionally, mentally, physically, familially, culturally, nationally, internationally, globally...and in such an extreme spectrum of Light and Dark, Good and Bad? How do we not only get on with our lives but also feel that we can be of some help, some service, essentially some *use*, in this world?

Inquiry. Turning inward. Asking. Praying. Dancing. The resultant natural turning outwards. Remembering. Connection. ONEness. Kiss...and Be Kissed
